

N-BIO ORGANIC HERBAL CLEANSING BAR

Back to Nature Concept

N-BIO ORGANIC HERBAL CLEANSING BAR uses only the finest ingredients to create 100% all-natural products with an emphasis on plant-based and organic. Each ingredient has a therapeutic purpose; all premium plant oils are cold-pressed or steam-distilled..

100% NATURAL INGREDIENTS

Pine Pollen

consists of rich amino acids and natural vitamins as well as various enzymes that boosts skin metabolism, enhances skin elasticity, slows down skin aging, and treats skin inflammation like eczema.

Pine Needle

Consists of trace elements and vitamins that effectively reduces skin pigmentation, whitens and hydrates the skin. An antioxidant accelerates skin renewal and regulates sebum secretion.

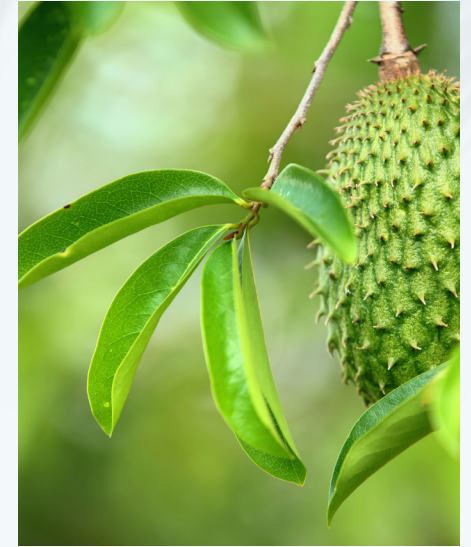

Folium Morcus Alba

Anti-aging, anti-inflammation, whitens and hydrates the skin, works well on hormonal acne.

Pine Nut

Rich amount of unsaturated fat that moisturises the skin and provides anti-aging effects.

Folium Annona Muricata

Rich in vitamin C, contains powerful age defying, antibacterial and anti-inflammatory properties.

100% NATURAL INGREDIENTS

Pure plant oil (Olive oil, Avocado Oil, Sunflower Oil, Rice Bran Oil, Coconut Oil and Palm Oil) - replenishes and nourishes skin.

WHAT IS COLD PROCESS SOAP?

Handmade soap manufactured using cold process method, one that does not involve heating procedure, ensuring the product preserved its high-quality ingredients.

WHAT IS THE DIFFERENCE BETWEEN N-BIO ORGANIC HERBAL CLEANSING BAR AND NORMAL SOAP?

The main function of normal soap is just cleaning function. N-BIO ORGANIC HERBAL CLEANSING BAR is functional soap that provides various effect, which is cleanse, repair, protect and rejuvenate. Also, it is gentler for skin.
